

About Your Product

This is a brand new and unused McAfee Antivirus Key / Serial Number for the latest version of the software. After activation, your subscription will be linked to your McAfee account and ready to protect your device immediately.

✓ **Genuine Key:** New, unused license key supplied directly by ITGuy.pk

How to Activate Your Key

Follow these steps to activate McAfee on your device:

1. [Go to](#)
2. Enter the product key you received in your order email from ITGuy.pk
3. Create a new McAfee account or log in to your existing account
4. Follow the on-screen instructions to download and install McAfee

💡 **Tip:** Copy your key directly from the order email to avoid typing mistakes. The key is case-insensitive.

Alternative Activation Method

If the main link does not work, try this alternative:

1. [Click this link to open the McAfee redemption page](#)
2. Select Pakistan as your country and English as the language
3. Enter your product key in the field provided
4. Follow the on-screen instructions to complete setup

Still Having Trouble?

If neither of the above methods work, use this direct redemption link:

Fallback Link: [mcafee.com › Retail Redemption Page](https://mcafee.com/retail/redemption)

⚠ Note: Use the fallback page only if both primary and alternative methods fail. All three methods activate the same product.
